# PROJECTS

## PROJECT 02: SOLID WASTE MANAGEMENT PROJECT IN NUWARA ELIYA DISTRICT

Year :2003 - 2004

### Background of the Project

Client : Nuwara eliya municipal Council

Consultant: NJS Consultant Contractor :Taisei Coporation

### Components of the Project

Value :Rs. 1.6 Million ( Project Donated by japanese Government)

Work Done: Leach ate Collection pipe insulation Fencing &Turf - filling

# PROJECTS

## PROJECT 03: THE PROJECT FOR IMPROVEMENT OF WATER SUPPLY SYSTEM IN MATARA DISTRICT

Year :2004-2005

### Background of the Project

Client :National Water supply & Drainage Board

Consultant : NJS Consultant

Contractor : Taisei - Hitachi Plant Corporation

### Components of the Project

Value : Rs. 1,198 Million donated by Japanese Government

:Rs. 92 Million Invested by Sri Lanka Government

Served : Coastal - 185,228

Population : Inland- 14,507

Capacity :46,800m / Day

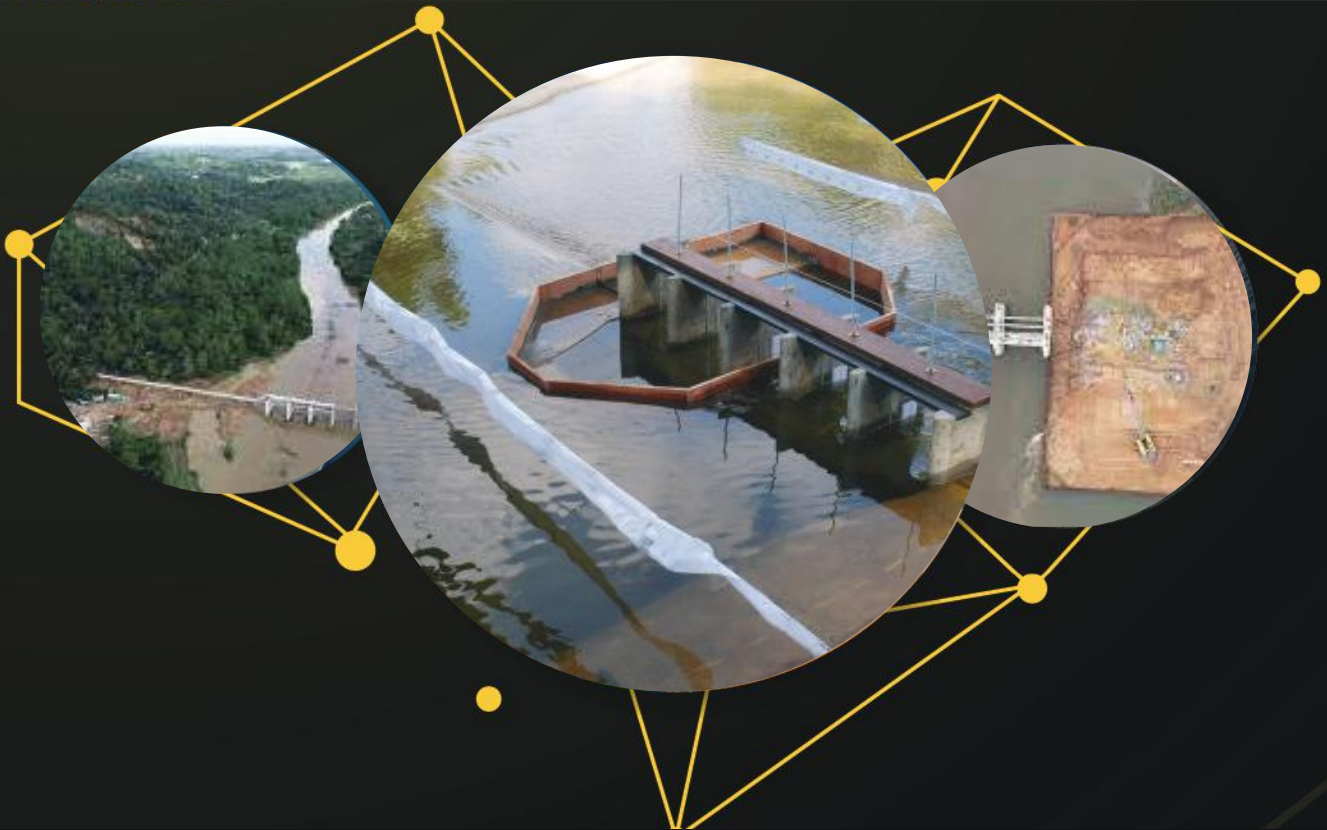

Supply Time: 24 Hrs

### Work Done : Pipe Laying

Rock demolishing (Chemical Blasting) we have laid DI 0450mm transmission line at rocky & muddy are as in average depth of 1.5 m we have laid DI 600mm 3km of raw line even at muddy areas.

### Pressure Testing

We have undertaken pressure testing of 20km distributing net work & 30km DI O 600mm raw water transmission line

### Constructions : Scaffolding setting,

Manhole construction & insulation, Road Pre-instruction & insulation, Pipe bridge assembling, load testing, abutment construction & truss installing (04 nos) Manhole at water treatment plant with HITACHI PLANT

Supplying : Manpower supplying - supervisor, Riggers, Bar-benders, Carpenter, Accountants, Labours (over 100) Equipment & vehicle supply

# PROJECTS

## PROJECT 04: THE PROJECT FOR RECONSTRUCTION OF AQUEDUCT DAMAGE BY TSUNAMI DISASTER

Year :2004 - 2005

### Background of the Project

Client : National water supply & Drainage board

Consultant : NJS Consultant

Contractor: Taisei Corporation

### Components of the Project

Value : Not mentioned in the agreement

Work Done: Pilling work

Scaffolding and safety arrangements, Installing temporary bypass, Abutment & pier construction, Truss Assembling & load testing, Truss Installing Pipe installing on Tress bridge.

# PROJECTS

## PROJECT 05: CONSTRUCTION OF FOUR BRIDGE & ONE CULVERT

Year : 2004 - 2005

### Background of the Project

Client : National water supply & Drainage board

Consultant : NJS Consultant

Contractor : KUMAGAI GUMI (PVT) LTD

### Components of the Project

Value : Not mentioned in the agreement

Work Done : PC Girder Setting

Scaffolding and safety arrangement,

Bar-bending workers.

# PROJECTS

## PROJECT 06: THE PROJECT FOR IMPROVEMENT OF WATER SUPPLY IN AMPARA DISTRICT

Year : 2004 - 2005

### Background of the Project

Client : National water supply & Drainage board

Consultant : NJS Consultant

Contractor : KUMAGAI GUMI (PVT) LTD

### Components of the Project

Value : Not Mentioned In The Agreement

Work Done: Pipe Laying in sea shore,

Pipe Laying Pressure

Testing work (P.V.C.)

# PROJECTS

## PROJECT 07: GREATER KANDY WATER SUPPLY PROJECT

Year : 2004 - 2006

### Background of the Project

Client : National water supply & Drainage board

Consultant : NJS Consultant

Contractor : Taisei-Hitachi Plant Corporation

### Components of the Project

Value : Rs. 1,198 Million Donated by Japanese Government Rs. 92Million  
Invested by Sri Lanka

Capacity : 46,800m / Day

Supply Time : 24 Hrs

Work Done : Pipe Laying

## Concrete Demolishing.

We have laid DI O 700 transmission TF pipe line which at rock areas in average depth of 1.0M we have laid DI 450MM Transmission at a9 road with all the safety arrangement, we have laid DI O 80mm and made safety arrangement in mahweli rivver Crossing disinfection of pipe lines and reservoirs, Yard piping with HITACHI PLANT on water treatment plant

## Pressure Testing

First time in sri lanka we have applied pressure up to 25 bar DI O 100mm raw water line, Undertaken pressure testing on all distribution and transmission pipe bridge and supply, Water bowser, Equipment and labour for the above job

## Construction work

Sheet piling at mahaveli river intake scaffolding setting, Roof truss block concreting truss bridge assembling and ppe installing manhole assembling.

## Supplying

Manpower supplying - supervisor, Riggers, Bar-benders, Carpenters, Flag man, Accountant and labours (over 100)

Equipment and vehicle supply

# PROJECTS

## PROJECT 08: UPPER KOTHMALE HYDRO POWER PROJECT

Year : 2006 - 2010

### Background of the Project

Client : Ceylon Electricity Board

Consultant: J-Power / Electric Power development co.ltd.

Contractor: Media corporation / media nishimatsu joint venture

Value : Not mentioned in the agreement

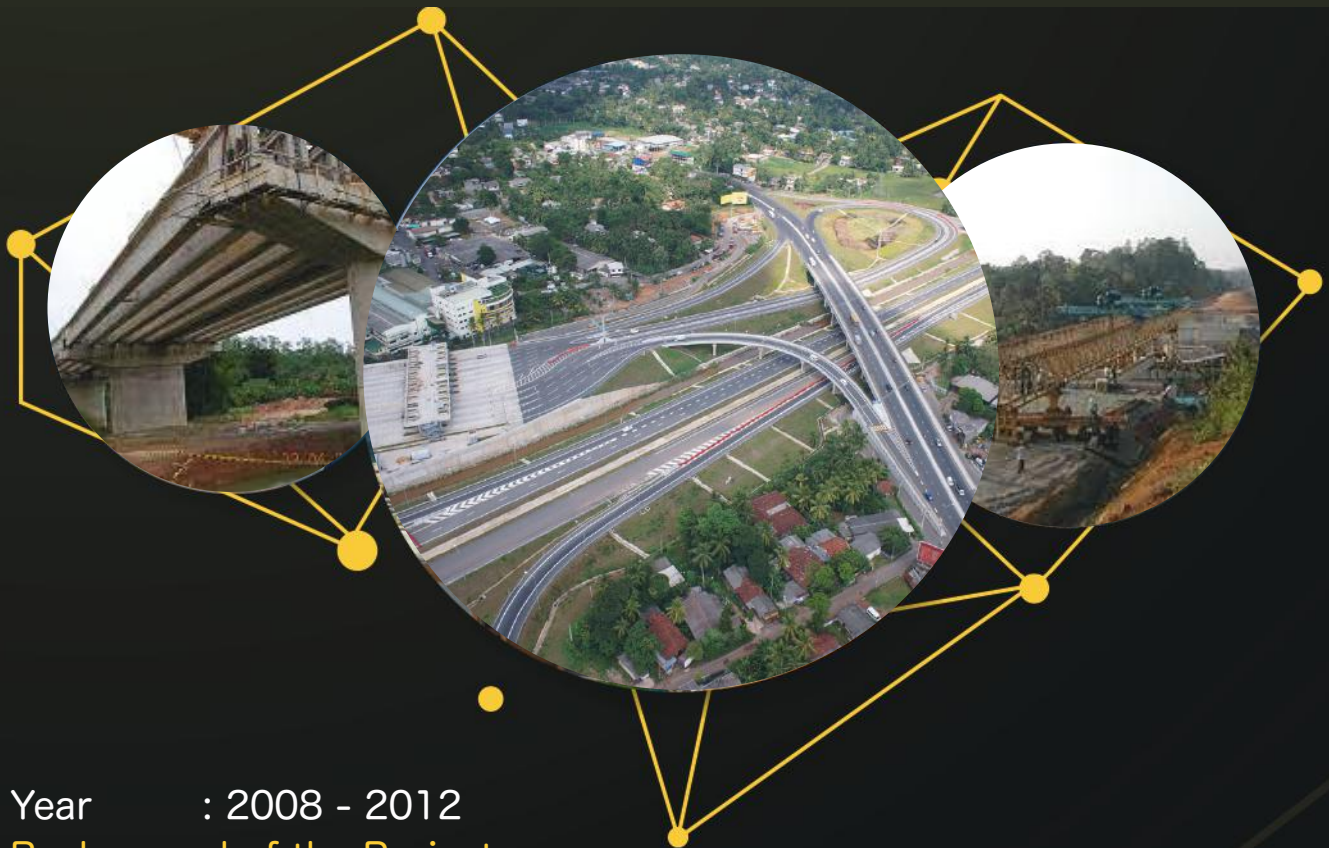

Work Done: B 412 Highway improvement road construction retaining wall construction scaffolding and safety arrangement, Bar-bending works

### Supply

Manpower supplying- supervisor, Rigger Bar-benders, Carpenter, Flag Man, Accountant & Labours (over 300) Equipment & Vehicle Supply.

# PROJECTS

## PROJECT 09: SOUTHERN TRANSPORT DEVELOPMENT PROJECT

Year : 2008 - 2012

### Background of the Project

Client : Road Development Authority

Consultant: Oriental Consultant

Contractor : Taisei Corporation (Package - 02)

### Components of the Project

Value : Not mentioned in the agreement

Work Done: Sheet piling at U/B, O/B & VC Culvert

Scaffolding setting fabrication and S.G.T fence steel post and net installation in marshy are. ( Dodangoda to kurudugahahetakma) fabrication driveway gates, walk gate and installations in all entrance steel for work (galvanizing and NON galvanizing)

### Supply

Manpower supplying -supervisor, Rigger Bar-benders, carpenter, Flag man, Accountant and labours (over 300) equipment and vehicle supply.

Greater urban development project outer Highway (OCH) to

# PROJECTS

PROJECT 10: GREATER COLOMBO URBAN TRANSPORT DEVELOPMENT PROJECT OUTER CIRCULAR HIGHWAY PROJECT (OCH) TO THE CITY OF COLOMBO PROJECT NORTHERN SECTION 1 FROM KADAWATHA TO KADUWELA

Year : 2012 - 2016

## Background of the Project

Client : Road Development Authority

Consultant: Taisei Corporation

Contractor : Taisei Corporation

## Components of the Project

Value : Not mentioned in the agreement

Work Progress: Galvanizing corrugated duct post tensioning (PC)

Girders value Rs. 58,455,075.00

## Supply

Manpower supplying - supervisor, Rigger, Bar-benders, Carpenter, Flag man, Accountant and labours, Mechanic and heavy equipment operators (over 800 person) Equipment and vehicle supply.

# PROJECTS

## PROJECT 11: KILINOCHCHI WATER SUPPLY PROJECT DAIHO CORPORATION

Year : 2016

### Background of the Project

Client : Road Development Authority

Consultant: Daiho Corporation

Contractor : Daiho Corporation

### Components of the Project

Value : Not mentioned in the agreement

Work Progress: Manpower supplying - supervisor, Rigger, Bar-benders, Carpenters, Flag man, Accountant and labours (over 300)  
Supply material Supply.

# PROJECTS

## PROJECT 12: DAMBULLA WATER SUPPLY PROJECT KDAW COMPANY

Year : 2016

### Background of the Project

Client : Water board

Consultant: KDAW Company

Contractor : KDAW Company

### Components of the Project

Value : Not mentioned in the agreement

Work Progress: Manpower supplying - supervisor, Rigger, Bar-benders, Carpenters, and Mechanic (Over 150 person)

# PROJECTS

## PROJECT 13: KURUNEGALA WATER SUPPLY PROJECT

Year : 2016

### Background of the Project

Client : National Water Supplying drainage Board

Consultant: C.M.E.C. Company (China)

Contractor: C.Q.A.Z. Company (China)

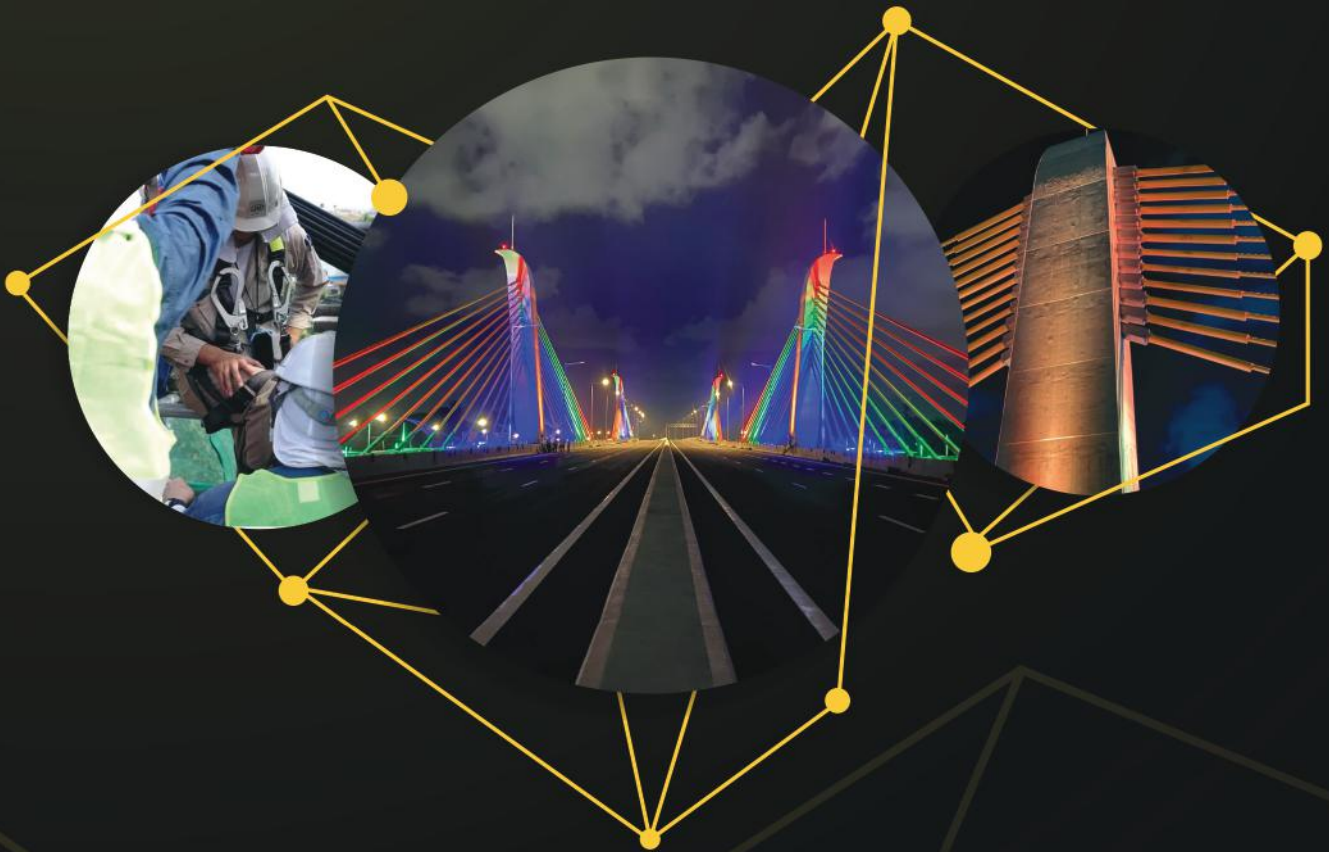

### Components of the Project

Value : Not mentioned in the agreement

Work Progress : Foreman, pipe filter, Carpenter, Bar-Bender, Masons, Rigger, Labours, Welders (Over 500 Persons)

# PROJECTS

## PROJECT 14: NEW BRIDGE CONSTRUCTION PROJECT OVER THE KELANI RIVER PACKAGE 02

Started Year : 2017 - 2022

### Background of the Project

Client : Road Development Authority

Consultant : Oriental Construction

Contractor : SMCC SANKEN JV

Value : Not Mentioned in the agreement

Work Progress : Over 2250 Workers (Foreman, Carpenter, Bar-bender, Masons, Rigger, Welders, Craine Oparators, Electricians, Auto Electricians, Mechanics, Labours)

# PROJECTS

## PROJECT 15: NEW BRIDGE CONSTRUCTION PROJECT STEEL BRIDGE SECTION OVER THE KELANI RIVER PACKAGE 01

Started Year : 2021 - 2022

### Background of the Project

Client : Road Development Authority

Consultant : Oriental Construction

Contractor : JMT JV

Value : Not Mentioned in the agreement

Work Progress : Over 200 Workers (Foreman, Carpenter, Bar-bender, Masons, Rigger, Labours)

# PROJECTS

## PROJECT 16: CIVIL WORKERS FOR PORT ACCESS ELEVATED HIGHWAY PROJECT PACKAGE 03

Year : 2020 - 2022

### Background of the Project

Client : Road Development

Consultant: MG Consultant

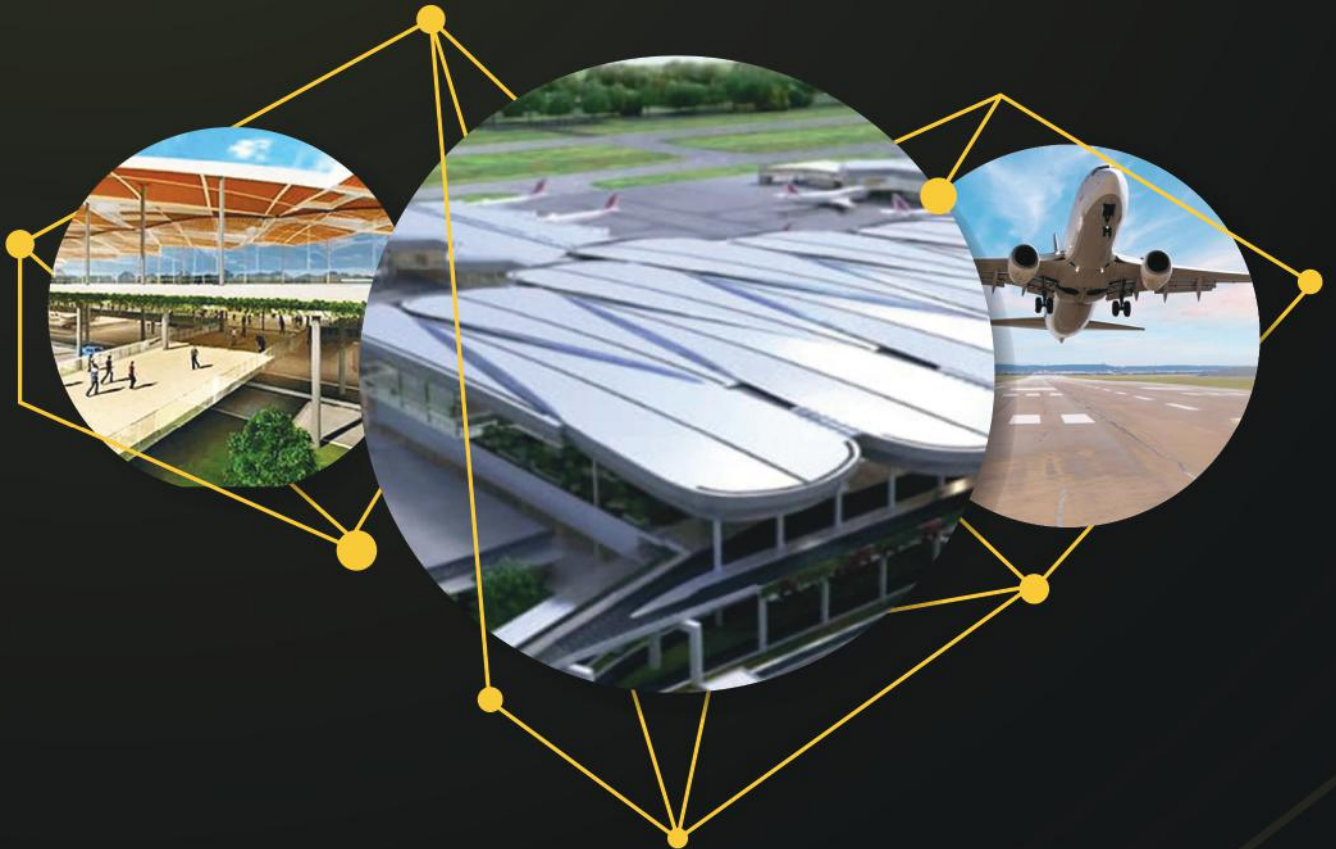

### Components Of the Project

Value : Not mentioned in the agreement

Work Progress : Over 530 Workers (Foreman, Carpenter, Bar-bender, Masons, Rigger, Welders, Mechanics)

# PROJECTS

PROJECT 17: BANDARANAIKE INTERNATIONAL AIRPORT DEVELOPMENT  
PROJECT PHASE || STAGE 2 PACKAGE A

Year : 2021 - 2022

Client : Airport and aviation services (Sri Lanka) LTD

Contractor : TAISEI Corporation

Work Progress : Over 300 workers (Foreman , Carpenter, Barbender, rigger, Mason, Welder, Mechanics, Flag man)

# ONGOING PROJECTS

## PROJECT 18: COLOMBO PORTCITY DEVELOPMENT PROJECT

Year : 2020

Background of the Project

Contractor : Nantong Construction Co

Components of the Project

Value : Not Mentioned In The Agreement

Supply : Foreman, carpenter, barbender, welder, electrician, labour

Machinery & vehicle supply - JCB Excavator and Double cabs

# ONGOING PROJECTS

## PROJECT 19: ITC COLOMBO ONE BUILDING - FIXING GFRC PANELS

Year : 2022

Background of the Project

Contractor : L&T

Components of the Project

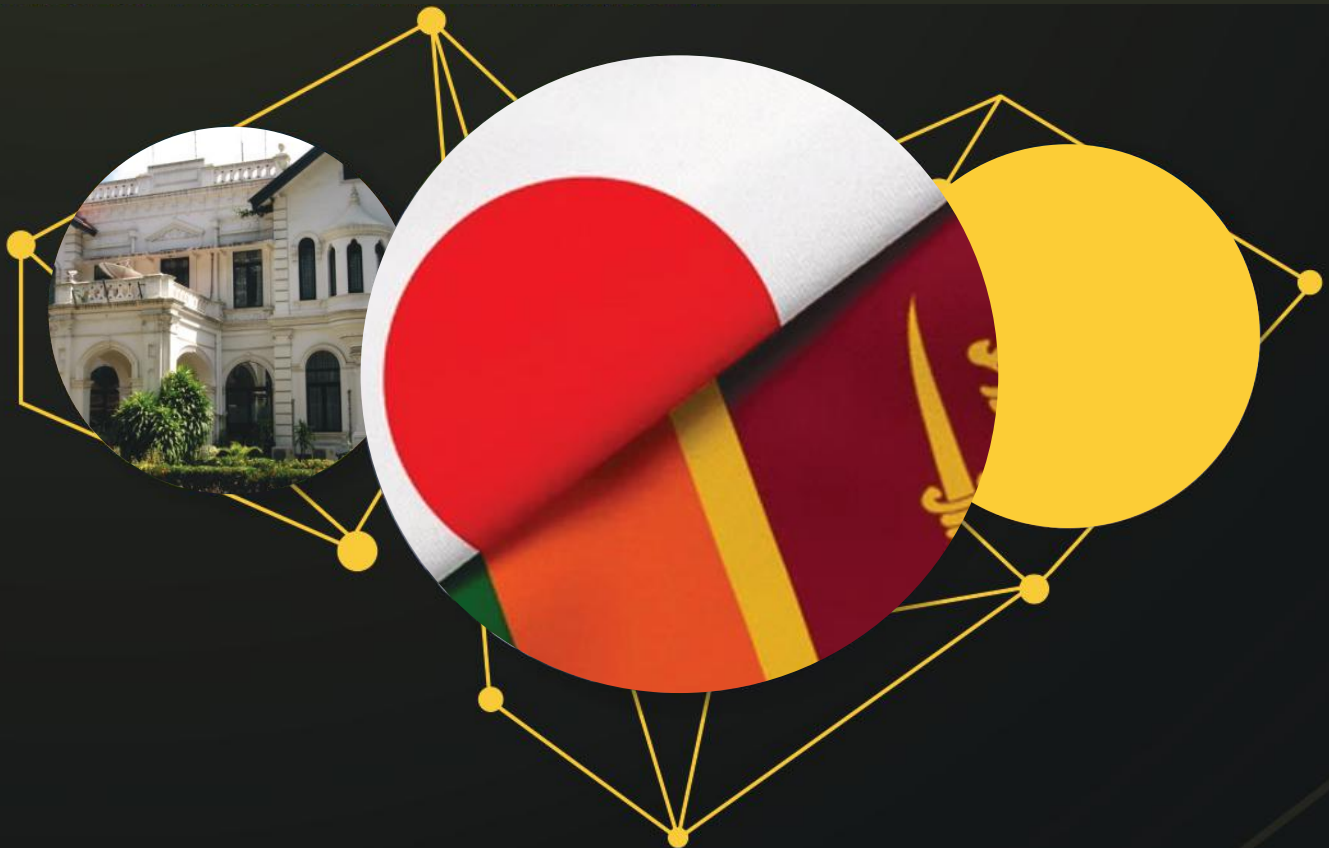

Value : Not Mentioned In The Agreement

Work Progress: Fixing GFRC sealing panels

Supply : Site Engineers, Quantity Survivor, Supervisors, welders, riggers painters

# ONGOING PROJECTS

## PROJECT 20: Japan embassy SL Project

Year : 2021

**Background of the Project**

Contractor : Sumitomo Mitsui Construction Corporation

**Components of the Project**

Value : Not Mentioned In The Agreement

Supply : Carpenters, Labours

# Heavy Machinery & Light Vehicles

## Excavators

1. Kobelco SK330LC ( 79586.9 lbs - 36,100 kg)
2. Kobelco SK210LC-10 ( 52249.6 lbs - 23,700 kg)

## JCB

1. JCB 3CX - 13,382 lbs

## Boom Trucks

1. 15 TON
2. 8 TON

## Bob Cat

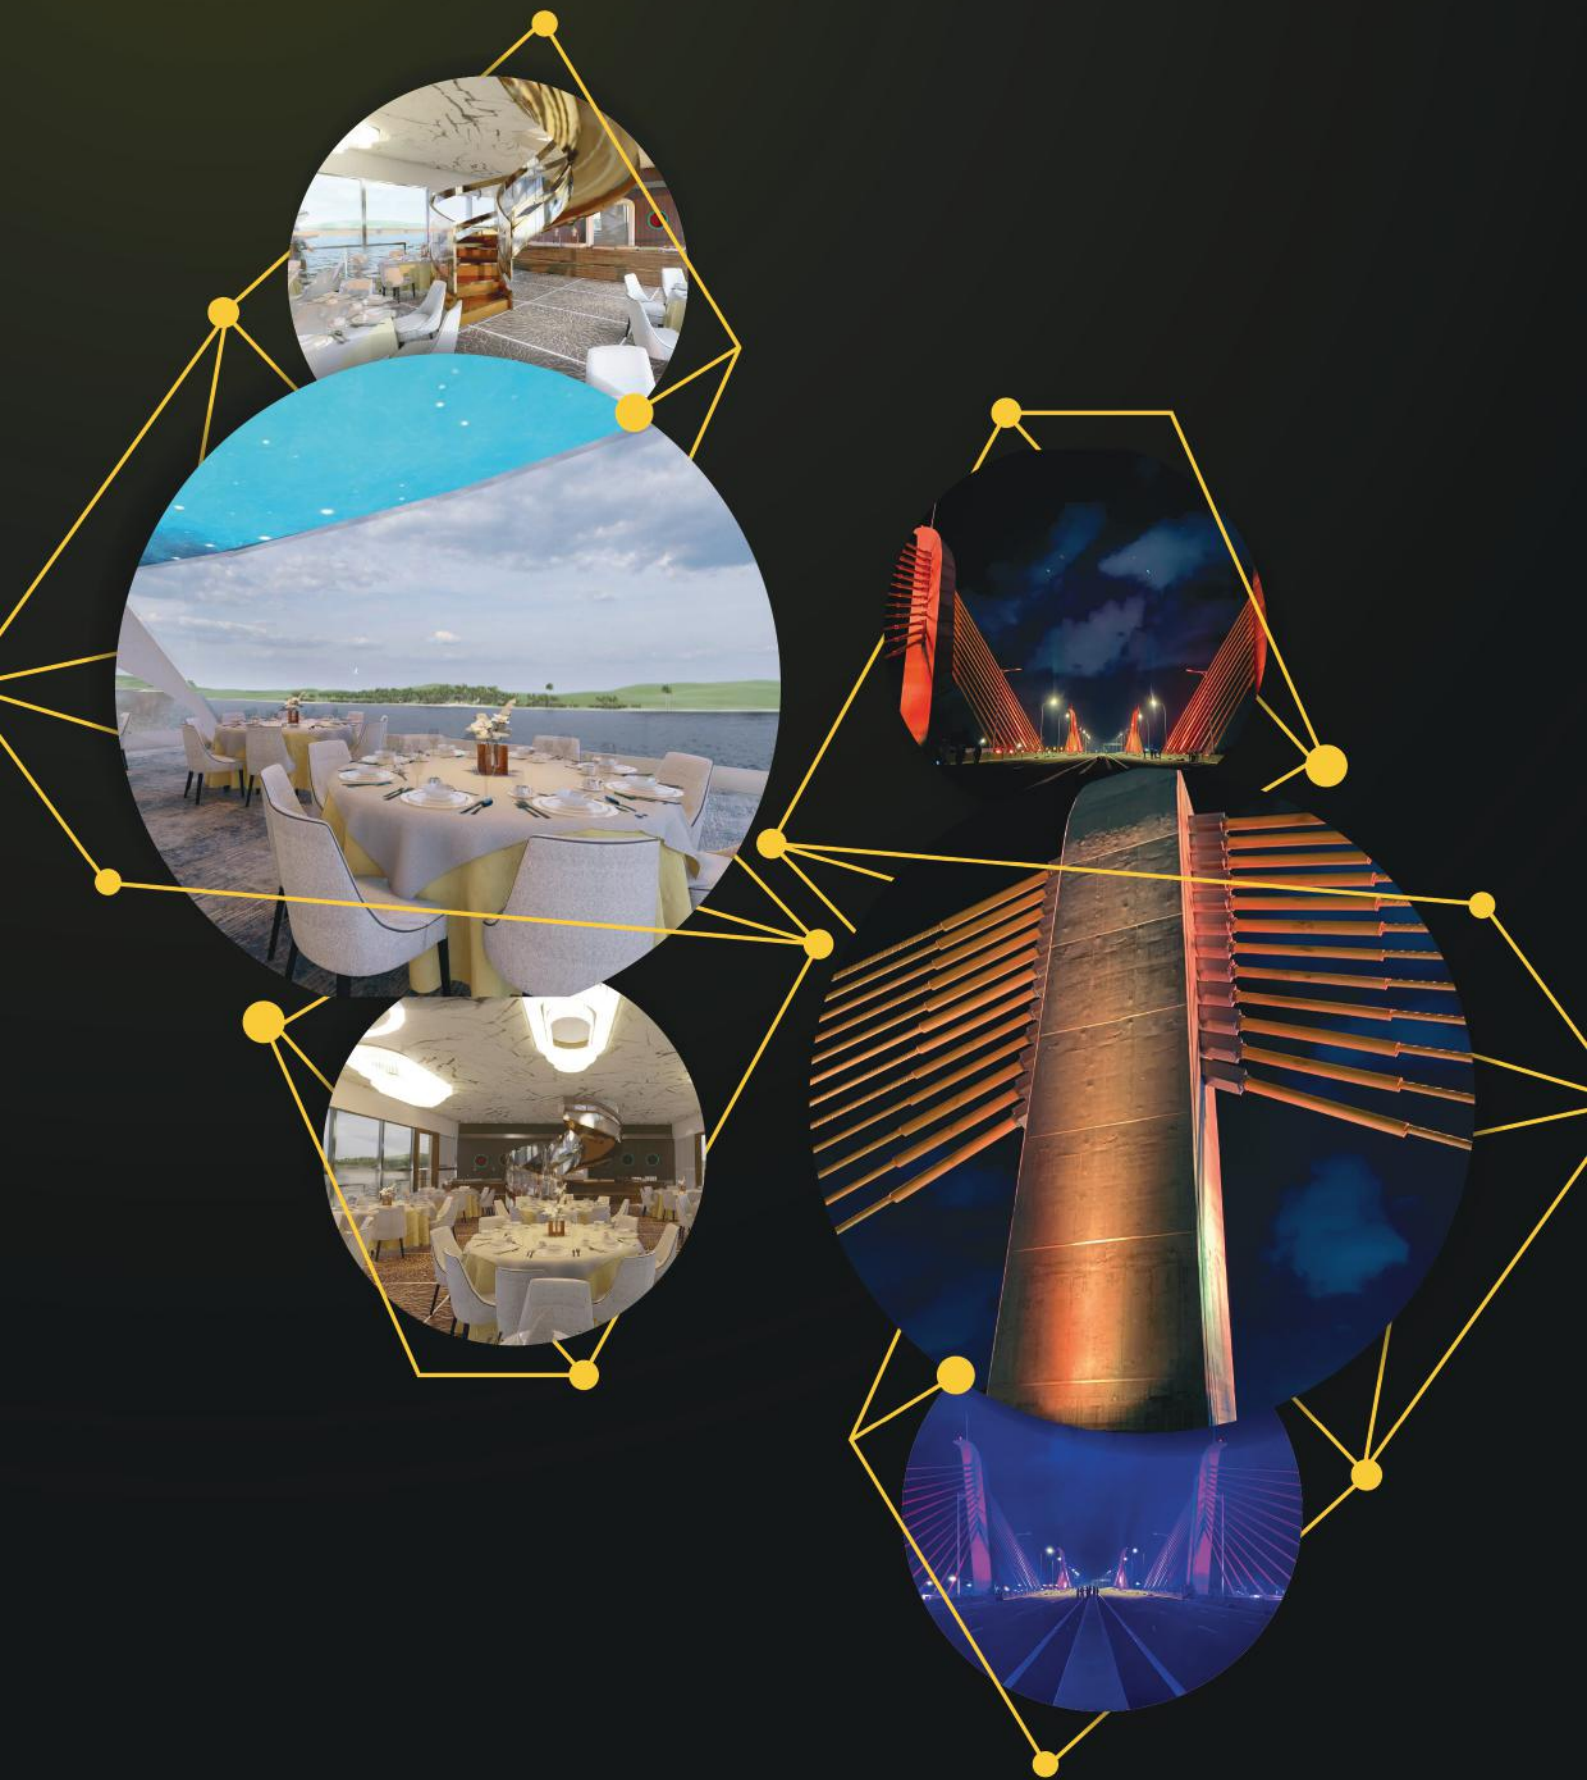

1. BOB CAT 463 Skid Steer Loader ( 700 lbs - 318 kg)
2. BOB CAT A300 Skid Loader ( 3000 lbs - 1,361 kg)

## Light Vehicles

Cars, Toyota Hilux Cab , Mahindra Bolero,  
Any Construction Related vehicles can be provide

**Note : Additionally other all heavy machinery related to construction feild can be provide as well**
